

VANDERBILT UNIVERSITY
TSCA Domestic Shipment Form

Shipper Instructions:

1. For domestic shipments of chemicals or samples, subject to TSCA, within the US Customs Territory, complete this form and include a signed copy with the shipment. Forward a copy of the form and all associated information to the receiving address before mailing the chemicals or samples (via fax or e-mail).
2. Mark the words "*Contents To Be Used For Research And Development Purposes Only*" on the outside of the shipping package and include form with package.
3. Maintain copies of this form in your laboratory records for the next three years.

RECEIVER (Please Note)

The chemicals in this shipment, as indicated below, are provided to you solely for research and development purposes, as defined by the Toxic Substance Control Act (TSCA), CFR §720.36. All such activities involving this material, must conform to recognized prudent laboratory practices. All persons using this material must be technically qualified and informed of any known or suspected health or physical hazards. Health or physical hazards include, but may not be limited to, the information provided or referenced below.

SHIPMENT CONTENTS

Chemical material contained in this shipment (If mixture, list each chemical separately with approx. %, include CAS number if known):

HEALTH OR PHYSICAL HAZARDS

Health or physical hazards, to the best knowledge of the shipper, for the chemical material contained in this shipment: (Check all that apply.)

- Are identified by the attached MSDS.
- Are identified by the attached documentation (please list):

Suspected or known hazards include:

- Flammability (flashpoint _____)
- Reactivity (contains cyanides or sulfides)
- Corrosivity (ph range: _____)
- Sensitizer
- Oxidizer
- Reproductive hazard
- Pyrophoric, shock-sensitive or other high hazard condition
- Water reactive
- Other: _____

- WARNING:** The hazards associated with this material have not been fully evaluated.

Any questions regarding the chemical content or provided information should be directed to:

Shipper's Name (please print): _____ **Phone #:** _____

Shipper's Signature: _____ **Ship Date:** _____

Shipper's Department: _____

Lab Group/Principal Investigator: _____

Recipient's Name/Contact Info: _____
